## Roofing Repairs

Are your roofs leaking during the rainy season?

Are your valuables getting damaged during this event?

Are you unhappy that your walls start creating water marks, water damage and the paint starts peeling off?

We have the solution for you

We have a British qualified roofer that can repair your roof in no time. We won't patch repair but Strip off your entire flat roof and relay the waterproof felt in a proper manner that you would not have any hassle of water damage this winter or the next 10 winters as our work comes with a 10 year gurantee.

We relay the water proof membrane at a angle to insure the stagnant water would run freely towards the drains. For a full repair and relay of your flat roof please contact DHD LLC for a no hassle free quote.
